GOVERNANCE

Members of the Board of Control (BOC)

The Institute is governed by the Board of Control (BOC) comprised of 12 members namely the Chairman nominated by the Government of Bihar; Vice-chancellor of Patna University; a Vice-chancellor from among the Universities other than Patna of the State of Bihar; two representatives from the ICSSR; one representative from the UGC; Director A N Institute of Social Studies (ANSISS), Patna; two eminent persons nominated by the Government of Bihar; one faculty member of ANSISS; Secretary, Department of Education and Finance, Government of Bihar; besides nominees of ICSSR and UGC. The details are given below:

Board of Control (2018-19)

Members

Shri Krishna Nandan Prasad Verma

Hon'ble Minister,
Department of Education Government of Bihar

The Member Secretary

Indian Council of Social Science Research
Aruna Asaf Ali Marg, New Delhi 110067

Professor Shankar Sharan

National Council of Educational Research and Training
(NCERT), Sri Aurobindo Marg New Delhi

Professor C. D. Singh

Former V. C, Indira Gandhi National Tribal University
T.F. 5, University Campus, A.P.S.U.
Rewa 486003, Madhya Pradesh

The Principal Secretary

Department of Education, Government of Bihar, Patna

The Principal Secretary

Department of Finance, Government of Bihar, Patna

The Vice-Chancellor

Patna University, Patna

The Vice-Chancellor

T M Bhagalpur University, Bhagalpur

Professor R K Sinha

Vice Chancellor

Nalanda Open University
Patna 800 001

B N Prasad

Professor & Head
Division of Sociology & Social Anthropology

The Director

ANSISS

Chairman

BOC, ANSISS

Member

BOC, ANSISS

Member

ICSSR Nominee

UGC nominee

Member

BOC, ANSISS

Member

BOC, ANSISS

Member

BOC, ANSISS

Member

BOC, ANSISS

Member

BOC, ANSISS

Faculty Representative

ANSISS

Member Secretary

BOC, ANSISS

Note: The tenure of the member is valid for two years, w. e. f. the date of notification for same excluding Ex-officio Member.

WELCOME

From The Director's Desk

It is my great privilege to be a part of the team that is publishing the Annual Report for the year 2018-19. The Institute has a long history of contributing to the development of public policy and support to the society. The year 2018-19 marks a turnaround for the Institute at least on two scores. We have attempted new researches and have been able to decrease our financial deficit remarkably. All this has happened due to the undying support of all the faculty members and the staff.

I am thankful to USSR Review Committee which took keen interest in the affairs of the Institute and went extra mile to meet all the stake holders and advise accordingly.

This year the faculty members have carried out several research projects and have a good number of publications also. This was so necessary looking at the competition posed to the Institute by a variety of players in the academic field. We have shown increasing excellence and impact of faculty-led research and scholarship in our commitment. With a productive year behind us, we look forward to exploring newer research areas. I am extremely happy to state that the Institute celebrated its Golden Jubilee year in 2018-19. Indeed, it was a crucial milestone in the journey of this research institution. It is a powerful testimony of the enduring vision of the founders and all those who have been associated with the Institute.

Satish Chandra Jha

CHAIRMAN

Sri Krishnandan Prasad Verma

Hon'ble Education Minister cum Chairman, BOC, ANSISS
(09.10.2017 to till date)

HOW IT WORKS

About The Institute

Anugraha Narayan Sinha Institute of Social Studies was established by the Government of Bihar, in the fond memory of Dr. Anugraha Narayan Sinha (18 June 1887 to 5 July 1957). Dr. Sinha was an Indian statesman and ardent follower of Mahatma Gandhi since the days of Champaran Satyagraha Movement, also, first Deputy Chief Minister-cum-Finance Minister (1946-1957) and one of the architects of modern Bihar. The Institute was inaugurated on January 31, 1958, by 'Desh Ratna' Dr. Rajendra Prasad, the first President of India. In July 1961, the state Government appointed prof. Gorakhnath Sinha, an eminent economist, as Director of the Institute. With this ended the first phase of the history of the Institute. The second phase began when it was made a statutory autonomous body through legislation of The Bihar Gazette (EXT) on the October 8, 1964, under the Anugraha Narayan Sinha Institute of Social Studies Act 1964, by the Government of Bihar. The Institute is governed by the Board of Control and funded by the Department of Education, Government of Bihar and Indian Council of Social Science Research (ICSSR), New Delhi through Ministry of Human Resource Development (MHRD), Government of India. Its silver Jubilee celebration was inaugurated by the then Prime Minister of India, late Smt. Indira Gandhi, on January 4, 1984. Over the sixty two years, there has been as appreciable expansion in its activities with a strong multidisciplinary faculty supported by a band of devoted research scholars for undertaking high level research in different branches of social science.

The purpose and powers of the Institute as laid down in the ANSISS Act, 1964 are:

1. To undertake teaching and research in Social Sciences;
2. To undertake study of specific problems, as and when required by the State Government or the Central Government or any other agency;
3. To provide training and research facilities in social, economic and administrative problems;
4. To publish journals, books, pamphlets, brochures, and other materials as may be deemed necessary;
5. To organise lectures, seminars, and conferences, and
6. To undertake other allied activities.

Research Area

The research theme of the Institute broadly focuses on development and change, with special reference to Bihar. Efforts have usually been made towards studying the mechanisms and processes of change in the wake of development, within appropriate theoretical and conceptual framework. Issues and problems within above framework are identified and analyzed towards finding their solutions.

Accordingly, researches of theoretical and empirical nature are broadly diagnostic, evaluative, and prescriptive having had its relevance to the economy, society, and polity of the country in general and the state of Bihar, in particular. The aforesaid studies are conducted by the faculty members of the Institute. Special attention is paid to

the study of the under-privileged and the rural poor, especially the Scheduled Castes, Scheduled Tribes, women, and other socially and economically disadvantaged groups, within the disciplines of Economics, Sociology and Social Anthropology, Social Psychology, Political Science, Public Administration, Social Geography, and Non-Violence and Peace. The Institute has multi-disciplinary operational character and approach. Concerted efforts are made to take full advantage of the multi-disciplinary structure of faculty members at the Institute. While each discipline pursues its own research programme, there are number of research projects in which members from different disciplines come together to analyze the problems at hand with a common perspective so that an integrated view of the social reality could emerge. Over the years, there has been an appreciable expansion of activities at the Institute with a strong multi-disciplinary approach of the faculty members supported by research scholars.

Today, it is one of the most prestigious social science research Institute in India. Indian Council of Social Science Research, New Delhi has recognized it as the Centre of Excellence in the field of Social Science research. Several international organizations including UNICEF, World Bank, ILO, WHO, DFID, UNDP, etc., in addition to the State Government and the Government of India, offer research assignments to this Institute on priority basis. It is also considered as one of the most important research institute by the government. The Institute has acquired a high status in the scholastic world for its quality of academic output.

Campus and Resources

The Institute is located in a sprawling campus situated at the southern bank of the Ganga. It is just 2 km from Patna Railway Junction at the North West end of Gandhi Maidan. Even though located in the heart of the city, it boasts of its picturesque location with quiet surroundings.

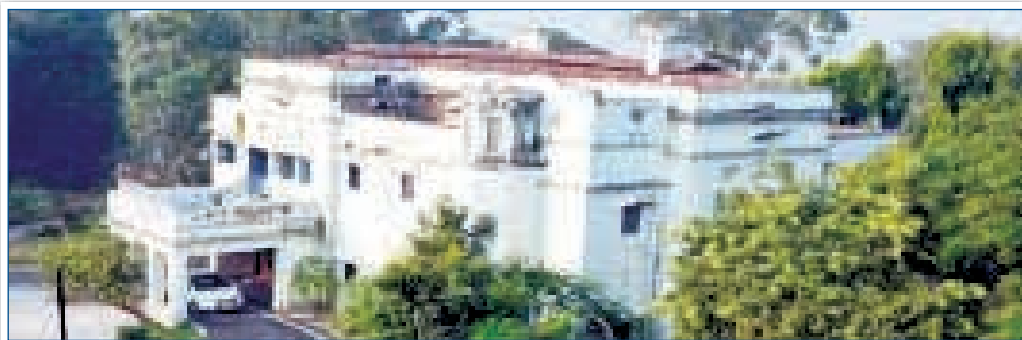

Main Gate and Building of the Institute

The Institute has a spacious three floor building having the Academic-cum-Administrative Complex. It houses the administrative office on the ground and the first floor. A three storey building for library and support office is attached to the main building. In addition to this, there is another three storey Hostel-cum-Guest House which provides accommodation to the Institute's doctoral fellows and visiting scholars.

Faculty and Staff Quarters

The Director and some senior members of the faculty have been provided with accommodation in the campus. Buildings are proposed to be constructed for the faculty members and supports staffs.

Director's Residence

Gandhi Shivar

This campus has also been a part of the great heritage and freedom struggle. Mahatma Gandhi had visited Bihar before independence and had stayed in this campus from March 6, 1947 to May 24, 1947 (except 1-14 April), adjacent to the house of Dr Sayed Mahmood, the then Minister of the Government of Bihar (presently the Director's Bungalow).

Library

The ANSISS library started in January 1958. The first book “नेहरु अभिनन्दन ग्रंथ (Abhinandan Granth)”, was accessioned by the library on April 16, 1958. The book was edited by Dr. Rajendra Prasad, First President of India, and Nehru Abhinandan Samiti and published by Aryavart Prakashan-Grih, Kalkatta (now Kolkata) in 1949 having 615 pages. The book mainly covered the life and work history of Jawaharlal Nehru. It also threw light on the Indian history.

The library is housed in its separate building of three floors. The second floor of the library was inaugurated on December 1, 2011 by Sri Nitish Kumar, Chief Minister of Bihar. The library of the institute claims to have outstanding collection of books, reports and journals in Social Sciences. Ex-Prime Minister of India, late Smt. Indira Gandhi, also paid a visit to this library on January 4, 1984; Silver Jubilee Celebration of this Institute. During 2018-19, the Institute's library started **“3-Month Library Internship Programme”** for Master's Degree students of Library and Information Science. Foreign students having listening skills of Hindi language, are also eligible for library internship as per the norms of the Ministry of HRD, Govt. of India. The library added 63 books and also 32 reports and bound volumes of Indian and foreign journals in spite of no fund (s) have been provided under this head either by ICSSR, New Delhi, Govt. of India or from Govt. of Bihar.

Reading Hall of the Library

The library also subscribes some important national weeklies besides newspapers. At present, the library has 33374 books. In addition, there are 33058 bound volumes of journals and reports. The library has also started Current Awareness Services (CAS) of recent reports and publications of ANSIS. It provides a host of “Users Oriented Services” such as Reference Services, e-journals, Documents Delivery Services (DDS), Institute's News Services (INS), Seminar Alerts, Bibliographic Service and e-library services.

ANSISS library has access to most of the databases of Social Studies. New books and reports of the library are powered by e-Granthalaya. Library has extended facility for free access to e-resources from NASSDOC-ICSSR. Students can access full text journals titles from the following databases apart from subscribed e-journals on Statics IP address. The databases are -

- Online EPW
- EconLit (EBSCO)
- JSTOR
- India Stat and Prowess

Besides, there are CDs in the stock as well. Many institutions including ICSSR, New Delhi and individuals have been sending complementary copies of their publications to this library. Various Government agencies, State Assembly, UNESCO and ILO regularly send their reports and publications.

The library has also received personal collection of Lok Nayak Jayprakash Narayan (JP) as a gift from him. The collection consists of nearly 3,000 books on wide range of subjects. All of it has been kept under separate section known as the “JP Collection”. The institute's library has been designated as one of the Depository Libraries in India by International Organisations like UNCTAD and UNESCO.

Computer Centre

The Institute has a full-fledged computer lab, equipped with more than 25 computers with high speed internet access having NKN support. The computer lab has been developed to enable the Doctoral fellows to have an adequate exposure to computer based research tools and access to research and development networks across the globe. With support from ICSSR, the researchers at the institute have begun to access some of the key e-resources.

Advanced statistical software is also accessible on case basis. However it is in consideration for unrestricted availability. The lab is also being used by the project staffs who are working under different research projects of the institute.

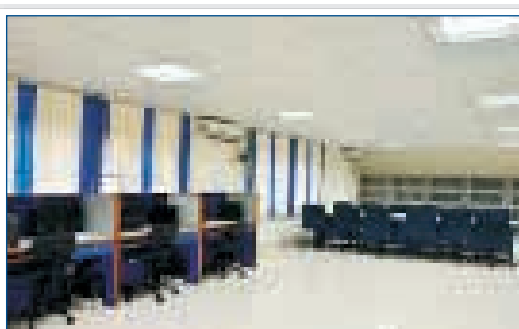

Seminar and Conference Halls

The Institute has a large air conditioned conference hall and three well-furnished seminar halls with comfortable seating arrangements. The conference hall has the capacity of accommodating 220 people, where conferences, seminars and public lectures are held generally.

The seminar halls are of medium and small sizes with seating capacity of 80 and 35 people respectively. They are used for orientation and training programmes, workshops, academic debates, discussions, meetings of the Board of Control, etc. In addition to these air-conditioned Conference and Seminar Halls, the Institute has an Open Hall on the second floor of the building, having a capacity to accommodate 80-100 persons, which is generally used for training, workshops, and other miscellaneous purposes.

Workstation for Research on Sample Micro-data from Census

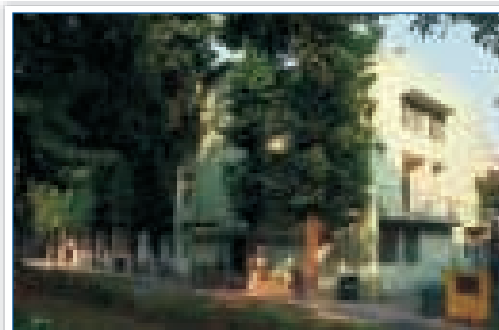

A Workstation for Research on Sample Micro-data from Census has been setup at the Institute with support from the office of the Registrar General of India, Ministry of Home Affairs, GoI New Delhi and the ICSSR New Delhi. Dr. Biplab Dhak is In-charge of and takes care in providing the required services pertaining to Census Micro-data and analysis for the researchers on requisition. Sri Krishna Nandan Prasad Verma, Hon'ble Minister, Department of

Education, Government of Bihar-cum-Chairman A N Sinha Institute of Social Studies, Patna inaugurated the Census-Workstation on November 8, 2017. It is a unique and very important facility in the sense that it will be very helpful to all researchers of this part of the country.

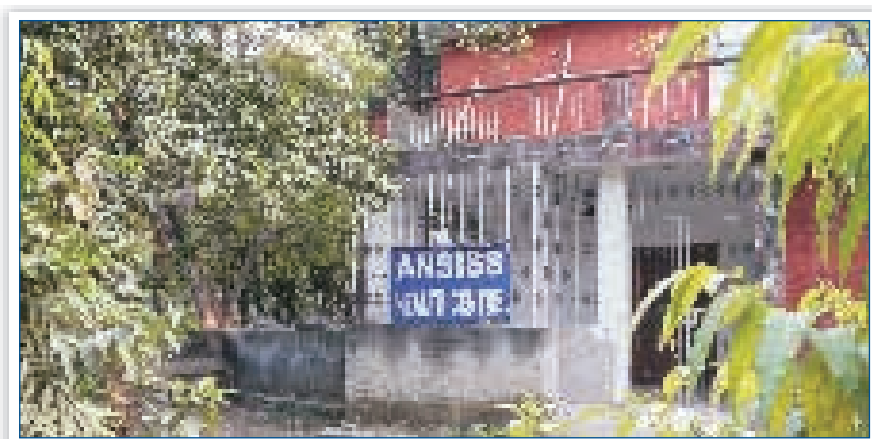

Hostel and Guest House

The Institute has a good quality hostel-cum-guest house, which serves dual purpose of guest house for the visiting scholars and hostel for the ICSSR Doctoral Fellows. It is a three-storied building with single and double rooms, lounge and mess facilities. There is also a newly constructed Guest House, named after Late Shri Madhu Limaye, famous Indian Socialist Parliamentarian, separately.

Health Centre

The Institute has now an in-house health centre facility for all members of the institute. There is provision of a doctor to provide medical treatment to the members of the institute on weekly basis.

Academic Divisions/ Centres

Division of Economics and Agriculture Economics

This division largely relates to micro and macro development: sectoral and spatial, agriculture, land reforms, political economy of development, poverty, institutional and infrastructural questions along with poverty, livelihood, nutrition, education, natural resource management, irrigation and water management, employment and labour, human development, and welfare programmes etc. The dynamics of rural economy is being probed in all its diversities with special reference to the state of Bihar. A number of research projects have been taken up on these themes.

Division of Sociology and Social Anthropology

The research interest of this Division lies in the exploration of culture of poverty with special reference to SC and ST and in ascertaining the role of women and their status in society. Similarly, the impact of changing technology, industrialization, rural development and developmental planning on social structures receive attention of the faculty members of Sociology. Now the faculty members have developed experience and expertise in formulating, enacting, monitoring and evaluating various welfare and development programmes of the government in the area of health, nutrition, children, women and other target groups. Problems of distributive justice, education and social stratifications constitute other important strand of research priority.

Division of Political Science and Public Administration

This Division is devoted to the explanation of political progress and political dynamics especially in the state of Bihar. The research themes include political parties, pressure groups, movements, leadership, state politics, politics at grassroots, electoral processes, politics and stratification, politics among the weaker sections and violence. It also provides objective analysis of planning and implementation of government programmes, with respect to agriculture, health, education and welfare. Special emphasis is placed on administration in the district, block and Panchayat levels with a view to suggest improvement in planning, coordination, supervision and execution of various programmes. Voluntary organizations are important areas of enquiry and receive considerable attention from our faculty members. The faculty also specializes in the study of PRI, human rights, particularly child rights protection, child labour, bonded labour etc.

Division of Social Psychology

This division focuses on socio-psychological research on social issues and problems of maintaining social harmony, peace, mental health, physical health and achieving well being and happiness of individuals, society and nation. Some studies have been focused on group behaviour, leadership, social power, student activism, child rearing practices, socio-psychological problems in school education, quality of working life, mental health of adolescents, disability and rehabilitation of children, religiosity and secularism, gender issues, attitude towards dowry etc. Other research areas of the division are social security and old age, family dynamics, youth among marginal sections, malnutrition and children behaviour, food crisis and other issues of public health, climate change and human behaviour, conflict resolution and peace psychology, female foeticide etc.

Division of Statistics

Division of Statistics has a multifarious role in social science research. It intends to provide technical support to other divisions and faculty members of the institute in data management along with providing training in Research Methods. It has been involved in various socially relevant training and research activities in the area of Decentralized Planning, Disaster Management, Non-conventional energy uses, Adult Education/Literacy, Primary Education, Vulnerability of the society in relation to transmission of HIV/AIDS, Agro-Forestry, Perspective Planning, Poverty Measurement, Panchayati Raj Institutions, Voter Behaviour, Border Area Development, etc.

Research Centers

The need for setting up some specialized centers has been felt since long, where it would be possible to conduct multi-disciplinary research in a comprehensive, longitudinal and cross-sectional frame. The idea of having specialized centers emerged out of the concern for the complex nature of profoundly intertwined economy and social problems of the country. There is an immense need of making a multipronged, collaborative attempt by faculties from different disciplines. Setting up such centers, therefore, is a prerequisite to accomplish the task in view.

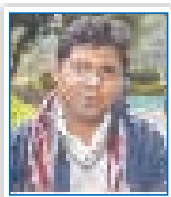

Centre for Non-Violence and Peace (CNVP)

This institute has been pursuing its research agenda in the direction of liberation of humanity from feudal exploitation, agrarian violence, social discrimination and injustices, based on glorious heritage of Buddha, Mahavira and Gandhi, who contributed rare learning and knowledge. In order to take up thematically focused task of research, teaching and training with contemporary relevance, the Institute has established this Centre which justifies the legacy of great heritage of non-violence. Basic objectives of this center are to analyze the ground reality and contribute towards knowledge generation in the field of non-violence and peace by comprehension of structural contradictions, conflicts and violence in the society, economy and polity towards refinement of concepts and development of theories of non-violence and peace with contextual contemporary concerns, and to promote research, teaching and training.

Centre of Social Geography (CSG)

Basic objectives of this Centre are to identify several contemporary social inequalities from geographical perspectives; to explain and critique the economic, political and cultural processes that create and sustain social and spatial inequalities; and promote an awareness of social inequalities, affecting the everyday geography of people. In other words Social Geography is primarily concerned with the ways in which social relations, identities and inequalities are created with reference to spatial dimensions and its role in defining and distinguishing between sociology and social geography. The division draws upon political, economic, and cultural fields of geography, but the emphasis remains on social issues affecting people's lives - class, race/ethnicity, gender, poverty, body, health and well-being - and the role of space in creation of social inequality and oppression, particularly in Indian context.

Internal Committees

To undertake academic and corporate activities of the Institute in effective and transparent manner, the institute has 21 committees as follows.

1. Academic Committee
2. Working Paper Committee
3. Annual Report Committee
4. Institute Journal Editorial Committee
5. ANSISS Newsletter Committee
6. ANSISS Update Committee
7. Doctoral Programme Committee
8. Purchase Committee
9. Library Committee
10. Rapporteurs Committee
11. Seminar Committee
12. Seminar/Conference Halls Reservation and Maintenance Committee
13. Campus Development & Cleanliness Committee
14. Sexual Harassment Grievance Committee
15. Grievance Redressal Committee
16. Hostel -cum-Guest House Committee
17. Building Construction and Maintenance Committee
18. Computer Division & website Development Committee
19. Press Release Committee
20. Retiral (including pension) Committee
21. Sports and Cultural Committee

ACADEMIC ACTIVITIES

Research Projects/ Sponsored Projects

Broadly the research activities of the institute can be placed under following categories:

- Researches carried out by individual initiatives of faculty members;
- Research for the degree of Ph.D undertaken by the ICSSR Doctoral fellows and other research scholars supervised by the faculties;
- Research projects initiated by the Institute on socio-economic and cultural issues, focuses Bihar;
- Research projects sponsored and financed by the external agencies including ICSSR Government of India, Government of Bihar and different international agencies such as World Bank, ILO, WHO, UNICEF, IDRC, UNFPA, UNOPS, NIPI, etc.

Status of Research Projects of the institute are categorized as follows:

Completed Projects

On-going Projects

Proposed Projects

COMPLETED PROJECTS

- Concurrent Evaluation of National Food Security Act 2013 in 38 districts of Bihar', sponsored by Ministry of Consumer Affairs, Food and Public Distribution Department of Food and Public Distribution, Government of India (Four Quarters Completed)

Researchers: Abhijit Ghosh, Rajeev Kamal Kumar, Neetu Choudhary

In brief: The NFSA legislation confers a legal right on beneficiaries to obtain entitled quantities of food grains at highly subsidized prices from the government. It also extends legal rights to women and children and other unprivileged groups including the destitute, homeless, disaster- and emergency-affected people living in starvation for free meals or meals at an affordable price. The coverage under the NFSA has increased dramatically compared with the TPDS. The key issue in assessing a government programme is to understand its implementation dynamics, as it is at this stage, where the programme encounters the biggest challenge and sometimes witness complete unanticipated dynamics. The main objective of the evaluation is to assess the overall status and progress of the implementation of NFSA (2013) across the country and measure and monitor the change it has brought in, specifically: system level assessment and analysis of the progress of implementation of various aspects of the NFSA 2013, and to evaluate the benefits of NFSA on the target groups in the light of objectives stipulated under the NFSA.

- Malnutrition in Sitamarhi and Gopalganj: A Comparative Picture from Bihar', Sponsored by UNICEF

Researcher: Abhijit Ghosh

- Ethnographic Study of Nonia Caste in Bihar

Researcher: Prof Ajay Kumar Jha

- Social Impact Assessment Study due to Proposed Land Acquisition due to construction Punpun Barrage canal through Mauja Hameednagar, Thana no. 236, Mauja Lodipur, Thana no. 258, Mauja Teyap, Thana no. 259, Mauja Aranda, Thana no. 254, in Aurangabad district.

Researchers: Bipul Kumar, Awadhesh Kumar, Biplab Dhak, Rakesh Tiwary

- Social Impact Assessment Study due to land Acquisition for Nabinagar Thermal Power Project, Nabinagar, Submitted to Aurangabad Samaharnalaya.

Researcher: Bipul Kumar and Rakesh Tiwary

In brief: To complete construction of Nabinagar Super Thermal Power Generation Project, acquisition of 03.96 acres of land is required by the Bihar government under the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement (RFCTLARR) Act 2013 and accordingly the Bihar Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement (BRFCTLARR) Rules 2014. Aurangabad Samaharnalaya, Government of Bihar entrusted A. N. Sinha Institute of Social Studies, Patna to carry out a Social Impact Assessment (SIA) of the said project. The study examined socio-economic condition of affected families, their livelihood pattern and economic conditions as well as social disruption caused by the land acquisition to the local communities.

- Socio-economic Impact Study of Proposed Land Acquisition for HLRCC Bridge along with Approach Road over River Kamla at Jhanjharpur, near Old NH-57 of Madhubani district, Madhubani Samaharnalaya, Government of Bihar.

Researcher: B N Prasad

- Socio-Economic Impact Study of Proposed Land Acquisition under New B. G. Third Rail Line between Barh–Bakhtiyarpur of Patna district, Patna Samaharnalaya, Government of Bihar.

Researcher: B N Prasad

- Socio-Economic Impact Study of Proposed Land Acquisition under B. G. Rail Line between Neora-Daniawan of Patna district, Patna Samaharnalaya, Government of Bihar.

Researcher: B N Prasad

- Socio-Economic Impact study of Proposed Land Acquisition for Construction of Civil Enclave and Approach Road for Joint Operation from Purnea Army Airport in Purnea district, Purnea Samaharnalaya, Government of Bihar.

Researcher: B N Prasad

- Assessment of Printing of Textbooks for Elementary Classes (I-VIII) by Private Printers and to Ensure Availability of these Books in the Bookshops Spread across the State, Funded by Bihar Education Project Council (BEPC), Government of Bihar.

In brief: The main objective of this study has been examining feasibility as well as chalking out road maps on how text books at the elementary level of education (class I to VIII) will be made available to students through open market. This study is thought essential prior to the implementation of direct cash transfer to students' account for buying text books from open market. This initiative is being proposed in the backdrop of some lacunas identified in the existing system of text book distribution even after the best possible efforts put by education department. Untimely and poor quality of book distribution has been common complaint in the last few years from students and teachers. This imperfect text book distribution system seems to have come as hurdle to the Government of Bihar's commitment to universal quality education. It is needless to mention that timely availability of books will accelerate Bihar's educational progress achieved in the last decade or so in terms of enrolment ratio, literacy rate etc.

Researcher: Biplab Dhak

- A decade of MGNREGA: participatory assessments and way forward Collaborative research project, funded by National Institute of Rural Development and Panchayati raj, Hyderabad.

Researcher: Biplab Dhak

In brief: The main objective the present study is to evaluate impact of MGNREGs after one decade ever since it was launched on the status of peoples' live. Specific objectives are 1. Assessing the impact of MGNREGS on wage employment opportunities, 2. Assessing impact of MGNREGS on creation of sustainable rural livelihoods, 3. Assessing the impact on rural governance.

- An Evaluation Study on Implementation of Educational Incentive Schemes in Bihar, funded by Department of Education, Bihar.

This project was funded by Department of Education, Government of Bihar.

Researchers: Vidyarthi Vikas, Biplab Dhak

In brief: The study indicates that education incentive scheme has a positive impact on girl's enrolment. In 2005-06, share percentage of girl's students to total enrolled student was 44.36% in Primary and 38.37% in Upper Primary which has been increased upto 52% in 2018-19. *A dismal story:* Actual attendance indicates a dismal story of school that average 27% to 30% students are attending the school which has been also advocated through a letter 09/साई० यो०-07/2018...540 dated 08/10/2018 issued by Education Department, Government of Bihar. It is pointed out that average 3.67% students of Higher Secondary (XI-XII) are attending the school and 19.73% in Secondary (IX-X), 36.05% in Upper Primary (VI-VIII), and 41.42% in Primary (I-V). Actual attendance among all the students, share percentage (57%) of Girl's student was higher than that of Boys students. When we see the social category-wise share % of enrolment (2017-18) 67% enrolled from BC category, 24% from SC/ST category and only 9% from General category. So far status of distribution of education incentive scheme, Cycle Yojna and Shatabdi Mukhyamantri Poshak Yojna seems good but Napkin Yojna, C M Dress Yojna and C M Scholarship Yojna was not satisfactory. It is pointed out that a good number of students could not receive any fund due to in-access of bank accounts, inadequate allocation, untimely allocation, non-allocation of fund to the school, a weak coordination of school and bank, friction among teachers and principal, apathetic approach of principal/ headmaster sometimes unclear guidelines etc.

- Assessment of Impact of Monthly, Half-Yearly and Yearly Evaluation Process in Improvement of Achievement Level of Class I to VIII Student, funded by Department of Education, Bihar.

Researcher: Biplab Dhak

In brief: After assessing the present status of progress in elementary education in Bihar, this study assesses status of implementation of annual, bi-annual, and monthly evaluation of students (I to VIII) based on government circulated guidelines and module questions. Also the impact of monthly evaluation which has been initiated in 2016-17 has been conducted. The study has been accomplished based on primary data collected from students of class I to VIII, teachers and parents of 9 districts in Bihar. Qualitative data has also been collected through FGDs from teachers and parents to substantiate our arguments. Main findings of this study is presented by main sections.

- Socio-Economic Livelihood Study and Policy Analysis in Kosi River Basin in India in collaboration with ICIMOD, Kathmandu, Nepal.

Researcher: D M Diwakar

- Social Impact Assessment of Land Acquisition for the Construction of Banmankhi Subdivision Court in Purnea District 2018.

Researchers: D M Diwakar, Aviral Pandey

- Social Impact Assessment of 05 villages on Land Acquisition for the Improvement/Upgradation of SH-88 from Varuna Bridge (NH-103) to Rasiyari Road in Darbhanga District. Rs 21,92,820/ sponsored by The D M Office, Darbhanga Distt, Bihar (Final Report submitted on 05.11.2018).

Researcher: Habibullah Ansari

In brief: Under this SIA project we have covered 05 Maujas/villages of Darbhanga District were-Benipur, Dakhram Chader-1, Dakhram Chader-3, Pohaddi Chader-2 and Pali Chader-2. This project has covered the stretch of the road passing through above five villages in extreme north of the Darbhanga town from Varuna Bridge (Samastipur). There were 14035 total households in the area out of which 454 were directly affected households which is 1.5% of the total households. There were total 21 castes found in the area. Most people reported as good impacts due to project on villages, nearby localities, transport facilities would be increased, poverty will be reduced and the whole area would be developed which will bring prosperity to all other localities nearby the affected villages. People were hopeful that their life styles will be changed by widening and upgradation of this road.

- *Ethnographic Study of Mallah Nishad (Bind, Beldar, Chai, Tiya, Khulwat, Suraiya, Godhi, Vanpar, Kevat) and Nonia Caste of Bihar*

Sponsoring Agency: Department of General Administration, Government of Bihar

Researcher: Rajeev Kamal Kumar

In brief: The main objective of the proposed study is to carry out the ethnographic survey of Mallah Nishad (Bind, Beldar, Chai, Tiya, Khulwat, Suraiya, Godhi, Vanpar, Kevat) and Nonia Caste of Bihar. However the specific objectives of the present study are to conduct a detailed ethnographic study of the Mallah Nishad (Bind, Beldar, Chai, Tiya, Khulwat, Suraiya, Godhi, Vanpar, Kevat) and Nonia of Bihar, find out the Socio-economic, Educational, Political and Cultural status of the above mentioned castes and compare them with the Schedule Tribe, find out the population of Mallah Nishad and Nonia of the State of Bihar through secondary sources and, if they are not present, then estimate the same through a sample survey, study social handicap like untouchability, rendering traditional services, commensal and other relationship with the upper castes of the region; to study the level of literacy, occupational pattern, upward caste mobility, etc.; and to put forward a few suggestions based on the ethnographic findings. The project has been completed and submitted to the State Government in April, 2018 for further action.

- *Impact of Women's Empowerment through Microfinance on Mother and Child Health in Rural Bihar*

Sponsoring Agency: University of Nottingham, UK

Researcher: Rajeev Kamal Kumar

In brief: The Institute was involved in the later part of the project titled "Women's empowerment and child health: exploring the impact of Rojiroti Microfinance in poor communities in Bihar (India)". It is based on quantitative approach in which the team has conducted a cluster randomised controlled trial that investigated the effects of Rojiroti microfinance loans on child nutrition. Participants were poor, marginalised women taking part in self-help groups (SHGs) in talas in Bihar. Rojiroti is a self-help loan scheme, implemented by

poor women living in disempowered conditions. The project was completed in 2018 and dissemination workshop was also organized in the same year at ANSISS, Patna with Nottingham University, Rojiloti, UK and CPSL, Patna.

- Social Impact Assessment (SIA) Study on Land Acquisition for Construction of RCC Bridge and Approach Road on Eastern Side of Kamala River on Madhepur-Thengaha Road in Madhubani district.

Sponsoring Agency: Madhubani Samharnalya, Madhubani, Govt. of Bihar

Researcher: Rajeev Kamal Kumar, Abhijit Ghosh, Neetu Choudhary.

In brief: The purpose of conducting the study was to carry out a socio-economic research to obtain facts and figures required to devise a rehabilitation and resettlement strategy for the affected people. The key objectives of the study were: to determine the total number of people affected from the project, compile basic socio-economic figures of affected families, enlisting various problems of affected families and propose different aids and reimbursements to be provided as per resettlement and rehabilitation strategies, to ensure all affected families and people as well as all communities of backward classes have been counted and considered during the studies, investigate various rehabilitation and resettlement options available for the affected people and then to propose the most feasible and suitable one, and propose solutions for increasing living standards and quality of life for the affected families and people. During the survey, it was emerged that the people of the area were happy with the project as it is very beneficial for them. A few families have minor problem with the compensation issues, mainly delay in distribution of compensation amounts to the affected families. A few families were also having some land disputes. The project was completed in October, 2018 and a final report was submitted to Madhubani Samharnalya after conducting a public hearing for further action by the district administration.

- Social Impact Assessment Study of the Land Acquisition for the construction of RCC Bridge and approach road on the Eastern Ghat of Kamla River at Madhepur-Thengha Ghat (Madhubani)', sponsored by District Magistrate Office of Madhubani

Researchers: Rajeev Kamal Kumar, Abhijit Ghosh, Neetu Choudhary

- Concurrent Monitoring of Lohiya Swachh Bihar Abhiyan (LSBA)/ SBM (G) in select district of Bihar', sponsored by UNICEF

Researchers: Rajeev Kamal Kumar, Abhijit Ghosh

In brief: The objective of the concurrent monitoring is threefold, i.e., identify the current bottlenecks in the ODF implementation and determining how to address those bottlenecks through UNICEF intervention, inform government counterparts on the main findings which could be incorporated into their implementation plan for the coming year, and produce evidence and generate knowledge for what works and what does not work in providing equitable, gender responsive, and quality hygiene and safe sanitation services, and test our assumptions on theory of change. To conduct the survey, a stratified sampling procedure has been used to determine the number of households. The stratification criteria in the districts are households with and without a toilet. The reason for adopting this level of stratification is to understand the variation in water and sanitation issues among households who already have toilets as well as households without toilets. The year 2014 has been chosen as base year for being the year when Swachh Bharat Mission (SBM) was launched by the Government of India. A total of 12 districts have been selected for the survey. This survey is to be completed in two rounds of concurrent monitoring in six months period. A preliminary report will be developed at the end of each round of monitoring and submitted to UNICEF.

- SIA Study on Land Acquisition for Construction of Baisi Sub-divisional Court, Purnea district, Sponsored by Purnea Samharnalya, GoB, August - November, 2018; Project Director: Rajeev Kamal Kumar, Abhijit Ghosh, Neetu Choudhary.

Sponsoring Agency: Purnea Samharnalya, Purnea, Govt. of Bihar

Researchers: Rajeev Kamal Kumar with Abhijit Ghosh & Neetu Choudhary.

In brief: This study has been done to understand the impact of land acquisition on the affected families. The land has to be acquired for the construction of subdivision court in Baisi sub-division of Purnea district. The key objectives of the study were: to determine the total number of people affected from the project, compile basic socio-economic figures of affected families, enlisting various problems of affected families and propose different aids and reimbursements to be provided as per resettlement and rehabilitation strategies, to ensure all affected families and people as well as all communities of backward classes have been counted and considered during the studies, investigate various rehabilitation and resettlement options available for the affected people and then to propose the most feasible and suitable one, and propose solutions for increasing living standards and quality of life for the affected families and people. This project is affecting the people of seven villages of Baisi block, namely Panisadra, Chaun Panisadara, Chakla, Chopra, Shadipur Bhutha, Kumharva and Bakhariya. A total of 10 acres of Raiyat land will be acquired for the project and this has to be settled and affected families have to be properly compensated as per the RFCTLARR Act 2013 and BRFTLARR Rules 2014. The project was completed in November, 2018 and a final report was submitted after conducting a public hearing for further action by the district administration.

- A Situational Analysis of Family Planning in Bihar, funded by Population Foundation of India, 2018-19.

Researchers: Sandhya R. Mahapatro, Renu Choudhary, Rakesh Tiwary

In brief: The study aims to assess a situational analysis of family planning based on desk review and interviews with key stakeholders in Bihar with the stated objective: To review the status of family planning indicators and reflect on what more needs to be done to achieve the desired objectives; To identify the gaps and challenges in programme implementation along with potential solutions; To identify what has worked in the state, based on which, make recommendations on way forward (evidences of successful interventions, including non-government initiatives)

- Social Impact Assessment Study under Bihar Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Rules pertaining to Land Acquisition for Widening and Strengthening of Nijay – Gonawan Road, Nalanda.

Researcher: Sudhir Kumar

- Social Impact Assessment Study under Bihar Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Rules pertaining to Land Acquisition for Construction of 33/11 KV Electric Power Sub-station at Paschim Kargahia, West Champaran.

Researcher: Sudhir Kumar

- Social Impact Assessment on Land Acquisition for RCC Bridge at Katha Ghat Pariyojna, East Champaran.

Researcher: Vidyarthi Vikas

In brief: As one of the measures to speedup the development of transportation infrastructure facility, and get free from traffic congestion across East champaran district, Shivhar, Sitamarhi, and Nepal the GoB has decided to make a bridge at Katha Ghat in Mehshi block in East Champaran district across Budhi Gandak River. The proposed bridge may shorten the 45 km distance between Motihari Mehshi block, East Champaran

district to Shivhar district. As per District Land Acquisition Office, Motihari, 5.825 acres of lands were acquired to complete the said bridge cum approach road. Project Affected People were unhappy and feel deceived. It seems that size or dimension of the same alignment has been changed during the construction period because requisitioning authority itself reported that construction work was started in 2014 (off-course there could be an alignment proposal). It seems that benefit of the project shall outweigh the social and economic cost of the affected people and area. Fair and adequate compensation shall be provided to the Project Affected People in the light of Land Acquisition Act 2013 and in given circumstances.

- Submitted dissemination workshop report on “Farming system for Nutrition in Bihar”. The workshop was organized by ANSISS in collaboration with MS Swaminathan Institute, Chennai, Tamilnadu (2018).

Researcher: Vidyarthi Vikas

In brief: An Advocacy Meeting on “Need and Scope for Farming System For Nutrition in Bihar” was organised by the M. S. Swaminathan Research Foundation (MSSRF) Chennai in collaboration with ANSISS to discuss the need for a farming systems approach in the state of Bihar on June 29, 2018. The meeting was chaired by Shri. Sudhir Kumar, Principal Secretary, Agriculture, Govt. of Bihar and co-chaired by Prof. D. M. Diwakar, Former Director, ANSISS. Meeting emphasized that various efforts were taken by the Department of Agriculture to tap in on the scope available to improve diversification in cropping pattern were discussed. For instance, the department has focused programmes to promote maize in *kharif* window in South Bihar. Further, the state is providing support to leading scientific institutions to work towards promotion of millets. It was pointed out that under strategies for increasing milk production, the focus tends to be on exotic breeds; while their productivity maybe higher, the quality and nutrient content of milk from indigenous breeds may be better. Production of mushroom can serve as an important initiative to address malnutrition (given the high nutritive value of mushroom) and this is a feasible option in Bihar given the availability of paddy straw across the state. An understanding of these aspects is required in developing appropriate policy.

ON GOING PROJECTS

- “Ethnographic Study of Gangota Caste in Bihar”, Sponsored by Department of General Administration, Government of Bihar.

Researcher: B N Prasad

- Socio-Economic Impact Study of Proposed Land Acquisition for Four Lane H. L. R. C. C. Bridge along with Approach Road over River Ganga Parallel to Vikramshila Bridge at Bhagalpur, Bhagalpur Samaharnalaya, Government of Bihar.

Researcher: B N Prasad

- Educational Profile of Gram Panchayat Functionaries in the selected districts of Bihar under the Time and Work Study, National Institute of Rural Development and Panchayati Raj, Hyderabad, 2018.

Researcher: Bipul Kumar

- ***Social Impact Assessment on Land Acquisition*** for Construction of Intermodal Terminal at Kalughat Project at Village-Murthan, Thana No.-49 and Village-Parmanadpur, Thana No.- 51; Anchal- Sonpur, Saran District, Chapara sponsored by The D M, Saran Distt, Chapra, Bihar, 02.04.2019, Total Amount Rs. 7,57,103/-, Sole Researcher.

Researcher: Habibullah Ansari

In brief: Total size of land for acquisition in 02 villages is 20.17 acres as per the records. Village-wise distribution of land are 6.62 acre in Murthan and 2.48 Acres in Parmanandpur and rest of land is either under gairmazarua or under flood affected areas. There were 1465 total households in the area out of which 43 were directly affected households which is 2.9% of the total households. There were total 12 castes found in the area. Most of the households had reported as good impacts on affected villages, nearby localities, transport facilities would be increased, poverty will be reduced and the whole area would be developed which will bring prosperity to all other localities nearby the affected villages. People were hopeful that their life styles will be changed in positive ways by construction of Intermodal Terminal. Though on those villages too overall there were good impacts and few were bad impacts.

- *Compendium of Traditional Medicinal Practices with special reference to Santhal, Munda and Oraon*

Sponsoring Agency: Dr. Ram Dayal Munda Tribal Welfare Research Institute (TRI), ST, SC, OBC Welfare Department, Govt. of Jharkhand, Ranchi

Researcher: Rajeev Kamal Kumar

In brief: Traditional medicinal practices hold very important position in tribals' life. Their entire world view is shaped by the social, cultural and immediate environments they live in. They are mostly depending upon their own system of medicine in case of any illness, which they inherited from their forefathers. The specific objectives of the project are: to know the perception on traditional medicine of Santhal, Munda and Oraon tribe, to identify and digitize their traditional medicine, to know the understanding of neurological disorder and mental health, to study their perception of urgent health needs, to know the demographic and ecological aspects, ecology diet and health status, to know their nutritional and health and their socio-cultural aspects, to study the tribal witchcraft, knowledge of psychological well-being of elderly, plants use in ethno medicine, and to study the tribal healers and ethno medicinal specialist and their magic and rituals. In order to achieve the above objectives, the study would involve collection of both secondary and primary data. The primary data will be collected through interview schedules, observation checklist, FGDs, informal discussions with the community members, etc.

- *Women's empowerment and child health: exploring the impact of Rojiroti Microfinance in poor communities in Bihar, Northern India (Qualitative Study).* Sponsoring Agency: University of Nottingham, UK

Researcher: Rajeev Kamal Kumar (Co-Investigator)

In brief: The proposed project is the extension of the previous work done by University of Nottingham and CPSL team in Rural Bihar under the project "Women's empowerment and child health: exploring the impact of Rojiroti Microfinance in poor communities in Bihar (India)". It is based on qualitative approach in which the respondents were selected from the poor tolas (members of Rojiroti MF) from the villages of Patna district. A total of 20 individual interviews were conducted with them. In addition to the interviews, a few FGDs were also organized. The findings of the study revealed that the women who are the members of the SHGs were greatly benefitted from the small amount of loans given to them on time of need. A networking event –cum-workshop was also organized as the part of the project in March 2019 with University of Nottingham, UK.

Events

Development Dialogue on 'Towards Refurbishing Healthcare System in Bihar

Coordinated by Dr. Sandhya R Mahapatro

A day long Development Dialogue was organised on “Towards Refurbishing Healthcare System in Bihar” on 9th April 2018 in ANSISS, Patna. The purpose of the dialogue was to come out with certain plausible solutions to overcome the challenges of the current healthcare system the state is grappled with. The programme was sponsored by UNICEF, Bihar and Dr. Sandhya Mahapatro, Assistant Professor; ANSISS was the co-ordinator of the programme.

In this programme Prof. Arvind Pandey, Former Director, NIMS, Delhi was invited as the Chief Guest and Sri Sanjay Kumar, Principal Secretary, Health, Government of Bihar was the Guest of Honour of the event. Dr. Ravi Duggal, Country Co-ordinator, International Budget Partnership, Mumbai delivered his key note address on transformation of healthcare system of Bihar. Many academicians were invited for the event. Prof. P. M. Kulkarni, Retired Prof. Jawaharlal Nehru University chaired the inaugural session and also gave the valedictory address of the programme. There were 3 panel session and scholars like Prof. K. S. James, Director, IIPS, Mumbai; Prof. Sanjay Mohanty, IIPS, Mumbai; Dr. Syed Hubbe Ali, Health Specialist, UNICEF, Bihar; Dr. Subrata Mukherjee, Institute for Development Studies, Kolkata; Dr. Shakeel, CHARM, Patna were presented their views on how to address the challenges of Bihar's health care system.

Workshop on “Intergenerational Mobility among Scheduled Caste in Rural Bihar

Coordinated by Dr. Renu Choudhary and Dr. Sandhya Rani Mahapatro

A dissemination Workshop on “Intergenerational Mobility among Scheduled Caste in Rural Bihar” was organised at A.N Sinha Institute of Social Studies (ANSISS), Patna on 5th May, 2018. This research was supported by Indian Council of Social Science Research (ICSSR) and was conducted by A. N. Sinha Institute of Social Studies, Patna. Dr. Sunil Ray, Director, ANSISS gave the welcome address. Inaugural Session was chaired by Sri Sanjay Paswan. Major findings of the study was presented and discussed in the workshop by Dr. Renu Choudhary

and Dr. Sandhya Mahapatro Discussion on the presentation was followed by a Panel Discussion (chaired by Sri Bharat Patankar). Eminent Sociologist Gail Omvedt argued that caste has emerged as a system and is reproducing itself. Although capitalism has made inroads in caste system vis-a-vis mobility, it has not been able to break the caste system. Prof. Sanghmitra S. Acharya, Director IIDS New Delhi observed that the issue of academic deliberations on caste is very contentious due to its socio economic dynamics. Academicians and research scholars participated in the discussion. Dr. Renu Choudhary, faculty ANSISS gave vote of thanks.

Advocacy Meeting on Need and Scope for Farming System for Nutrition in Bihar

Coordinated by Dr. Vidyarthi Vikas

Advocacy meeting on 'Need and Scope of Farming System for Nutrition in Bihar' was organised by M S Swaminathan Research Foundation, Chennai in collaboration with A N Sinha Institute of Social Studies, Patna on 29th June 2018. It was chaired by Sri Sudhir Kumar (Principal Secretary, Agriculture Dept,

Govt. of Bihar). Welcome address was given by Dr. R V Bhavani (Project Manager by MS

Swaminathan Research Foundation, Chennai). He said that more than half of under-five population in Bihar is malnourished. Inaugural address was given by Prof. D M Diwakar, ANSISS. Sri Sudhir Kumar gave the introductory remarks. Dr. R K Rukmani (Director, Food Security, M S Swaminathan Research Foundation, Chennai). In promoting Integrated Farming Systems in Bihar, State has to focus in following areas are- Improved nutrition must be placed as a key agenda for agriculture; A road map for promotion of bio-fortified cereals to be developed ; Specific schemes to promote cultivation of stress tolerant varieties of paddy, pulses, and small millets to be put in place; Promote fisheries; Setting up Custom Hiring Centres across rural Bihar; Create infrastructure for decentralized storage and processing; Policy on Nutrition Literacy; Strengthen the agricultural extension system; Expansion of Nutrition Garden Programme in Schools; Centre for Women in Agriculture be set up in Bihar.

Dr. Vidyarthi Vikas, Assistant Professor, ANSISS, welcomed the participants of the meeting and thanked the MSSRF for collaborating with ANSISS in organising the event.

Anugraha Narayan Sinha Memorial Lecture 2019

Coordinated by Dr. Vidyarthi Vikas, ANSISS

Anugraha Narayan Sinha Memorial Lecture was delivered by renowned scholar Prof. Mark Lindley (visiting Professor, BAMU, Aurangabad) on “Mahatma Gandhi (b.1869), Ferdinand Tönnies (1855-1936) and Gustav Le Bon (1841-1931) as Modern Psychologists” at the A N Sinha Institute of Social Studies, Patna on 30th August, 2018. Sri Robert L Chongthu, Director of ANSISS welcomed the guests and participants. Guest of Honour Prof. (Dr.) M. N. Karna, Former Director,

ANSISS, Patna; Prof. (Dr.) Rash Bihari Pd. Singh, Vice- Chancellor, Patna University; Prof. (Dr.) R. K. Sinha, Vice- Chancellor, Nalanda Open University presented their views. Chairperson Prof. (Dr.) Y D Prasad, Former Director, ANSISS, Patna also presented his remarks. Vote of thanks was given by Dr. Vidyarthi Vikas, Assistant Professor, ANSISS.

National Seminar on “Gandhi, Satyagrah & Human Rights”

Coordinated by Dr. Vidyarthi Vikas, ANSISS

Two day National Seminar on “Gandhi, Satyagrah & Human Rights” is being organised at A N Sinha Institute of Social Studies (ANSISS), Patna on November 29-30, 2018 in collaboration with National Human Rights Commission. Prof. Nil Ratan (Registrar- In- Charge, ANSISS) in his inaugural address emphasised special place of Bihar in freedom struggle led by Gandhi Ji and mentioned historical importance of his stay at

institute's premises during visits to Bihar. Dr. Saroj Kumar Shukla, Assistant Director, NHRC shared aims and objectives of the Seminar with audience and the importance of human rights in present context. Sri Dilip Kumar, Joint Secretary, NHRC in his address emphasised the role of Paris principals in promotion of human rights. He stressed need of research in the field of human rights in the state of Bihar. Prof. Nand Kishore Acharya (famous Gandhian & Scholar), Dr. Muni Dev Singh Tyagi, Joint Director, NHRC also shared their views. After the Inaugural Session two academic sessions were organised on 29th November, 2018.

First session “Theoretical perspectives on Satyagraha and challenges of Human Rights” was chaired by Prof. D. M. Diwakar (former Director, ANSISS. Second session “Relevance of Human Rights in Twenty First century,

Gandhi and Media” was chaired by Sri Subhash Sharma (IAS, Bihar government). In this session Sri Syavam Prakash (Editor Zee News), Abhay Pratap and Prof Ajay Kumar Jha (ANSISS) presented their views. Large number students, academicians, research scholars and media persons participated in the discussions and question and answer sessions. On second day 30th November, third session 'Police and Human Rights: Challenges of Social Justice' was chaired by Smt. Mridula Mishra. Fourth session 'Development Goal: Gandhi and Human Right was chaired by Subhamurthi, former Chairman, Bihar Bhoodan Aayog. Welcome address was given by Sri Sanjay Singh, Addl. Secretary; National Human Right Commission. Vote of thanks was given by Dr. Vidharthi Vikas.

Public lecture on “Tribal Tourism in Vietnam: Ethics in Qualitative Research”

Coordinated by Dr. Rajeev Kamal Kumar

A public lecture was organized by Dr. Esther Bott, Senior Lecturer in Nottingham University, UK on January 4, 2019 by ANSISS, Patna. This lecture was attended by faculty members and research scholars of the Institute and other dignitaries of the society. She has discussed her research findings from mixed-method pilot research into ethnic tourism in Vietnam. Drawing on critical discourse analysis of tourism marketing material and subsequent ethnographic research carried out in Sapa, northern Vietnam, she presented how minority indigenous groups are represented in ethnic tourism promotional material in ways that reproduce certain racial tropes that are drawn upon by tourists before, during and after actual tours. It explores the impact of the imagery and words used to describe and position indigenous people, highlighting the powers of discourse and the urgent need for its monitoring and guidance in this emergent tourism context. The lecture was followed by question and open discussion by the audience and the speaker. The organizer thanked Dr. Bott for scheduling her visit for the public lecture and enlightening the audience with a new and interesting area of research.

Anugraha Narayan Sinha Foundation Day Lecture on “Agrarian crisis in India and the Way Forward”

Coordinated by Dr. Vidyarthi Vikas, ANSISS

A. N. Sinha Institute of Social Studies, Patna celebrated its 61st Foundation Day on 31st January, 2019. On this occasion, Dr. Jayati Ghosh, Professor of Economics, Centre for Economic Studies & Planning, Jawaharlal Nehru University, New Delhi delivered the Foundation Day Lecture on “Agrarian crisis in India and the way forward”. Dr. Nil Ratan, Professor, Division of Political Science and Public Administration cum Registrar I/c, ANSISS welcomed the guest speaker and participants of the program. In her lecture, Dr. Jayati Ghosh drew attention

towards current anger and desperation of cultivators that are being expressed in local, regional and national agitations. Dr. Jayati Ghosh analysed origins of agrarian crisis in past decades, reasons of aggravation in recent years and the possible strategies to revive agriculture and the rural economy. Chairperson Dr. A. K. Jha, Professor, Division of Political Science and Public Administration, ANSISS addressed the audience. Large number of academicians,

research scholars and media persons participated in the ANSISS Foundation Day lecture. The program ended with presentation of Vote of thanks by Dr. Vidyarthi Vikas, Assistant Professor of Economics, ANSISS.

Public lecture on 'Community Policing in Bihar: Challenges and Prospects'

Coordinated by Dr. Vidyarthi Vikas, ANSISS

A. N. Sinha Institute of Social Studies, Patna organised a public lecture on **“Community Policing in Bihar: Challenges and Prospects”** on 16th March 2019. The lecture was delivered by none other than Sri Gupteshwar Pandey (*IPS*), Director General of Police, Government of Bihar at the institute. Dr. Nil Ratan, Professor, Division of Political Science and Public Administration cum Registrar I/C, ANSISS welcomed the guest speaker and

guests of honour, Sri Rajyvardhan Sharma , Prof. R K Sinha, Vice-Chancellor, Nalanda Open University, Patna; Prof. M N Karna, former Director, ANSISS. In his lecture, Sri Gupteshwar Pandey drew attention towards the importance and need of Community Policing. Public Lecture was followed by lively questions and answers session. Large number of police personnel, academicians, and research scholars and media persons participated in the ANSISS Foundation Day lecture. Dr. Vidyarthi Vikas Assistant Professor, Division of Economics, ANSISS coordinated the programme and proposed the Vote of thanks.

Networking event-cum- workshop on 'Exploring Link between Female Empowerment and Child Health'

Coordinated by Dr. Rajeev Kamal Kumar

A day long networking event-cum-workshop titled '*exploring link between female empowerment and child health*' in collaboration with the School of Medicine, University of Nottingham, was organised on March 18, 2019, at ANSISS, Patna. The purpose of this workshop is to build on the research work undertaken in Patna district (Bihar), which was initiated by University of Nottingham, UK. The workshop dealt with some of the important questions

around the theme, such as, how progress might be accelerated towards three of the UN Sustainable Goals (SDGs): Gender equality (goal 5); child nutrition (goal 2); and no poverty (goal 1). Rojiroti microfinance's intervention might impact upon each of these SDGs. The workshop inaugurated formally by the chief guest Dr. N. Vijaya Lakshmi, Managing Director, Women Development Corporation, Bihar and other dignitaries present in the event. The workshop was conducted in two main sessions, i.e. plenary session after the formal inauguration and five parallel technical sessions. The key speakers and chairpersons of this networking workshop included **Alan Smyth** (Professor of Child Health, University of Nottingham, UK), Suchitra Rath (Ekjut, Jharkhand), **DM Diwakar**, A K Kapoor, Barun Kanjilal, **Gil Yaron** (Director, GY Associates, UK), **Shalini Ojha** (Clinical Associate Prof. of Neonatology, Univ. of Nottingham, UK), **Esther Bott** (Senior Lecturer, Univ. of Nottingham), Sankar Majumder, Subir Biswas, P.K. Patra, and others. Closing remarks and vote of thanks were given by Rajeev Kamal Kumar, Asst. Prof. AN Sinha Institute of Social Studies, Patna, who has also coordinated the workshop along with Alan Smyth.

Workshop on “Ethics in Social Research: Reflexivity and Inter-subjectivity”

Coordinated by Dr. Rajeev Kamal Kumar

A half day lecture by Dr. Esther Bott, Nottingham University, UK, was organised on the topic “Ethics in Social Research: Reflexivity and Inter-subjectivity” by the institute for Doctoral Fellows on March 19, 2019 at ANSISS, Patna. The lecture was delivered by Dr. Esther Bott, Senior Lecturer in Nottingham University, UK. Dr. Bott has talked dynamics of power and consent in detail and how these are negotiated before, during and after fieldwork. To that end, she started the lecture with reflexivity and subjectivity, with an emphasis on feminist epistemology. The lecture was very fascinating and highly useful to the students and scholars who are engaged in carrying out field work. The lecture was coordinated by Dr. Rajeev Kamal Kumar, Asst. Prof, ANSISS.

Public Lecture on “Physical and Social Infrastructure for Inclusive Regional Development” by Prof. Sachin Chaturvedi, Director General, Research and Information System for Developing Countries (RIS), New Delhi” at ANSISS, Patna in collaboration with Nehru Memorial Museum & Library, New Delhi 05.11.2018

Coordinated by Dr. Vidyarthi Vikas, ANSISS

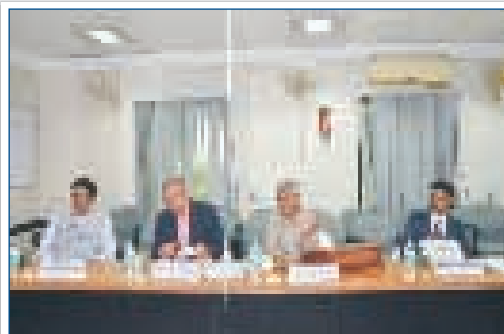

Prof. Sachin Chaturvedi is Director General at the Research and Information System for Developing Countries (RIS), a New Delhi has delivered lecture on “Physical and Social Infrastructure for Inclusive Regional Development” on 05.11.2018. He said that Regional development is an integral component of a holistic and inclusive growth strategy for addressing poverty and income disparity in India. Among many other factors, the issues of regional development can be effectively tackled through infrastructure development in the form of development of railways, inland waterways, airports, digital technologies, etc. Robust infrastructure would not only improve internal connectivity by linking growth poles to the hinterland across different parts of India most importantly connecting the North Eastern States of India to other states of India such as Bihar, Jharkhand, Odisha, West Bengal but also contribute to local industrialisation and productive employment of local resources and human resources.

Sri Shakti Sinha, *IAS*, Director, Nehru Memorial Museum & Library, New Delhi was Guest of Honour. Prof. Nil Ratan welcomed the Guest and participants and vote of thanks was given by Dr. Vidyarthi Vikas.

Icssr Review Committee

ICSSR Review Committee constitute by the Government of India and Council itself. The committee evaluate the role of the Council and ICSSR Institutes in fostering social science research and to suggest ways to improve its functioning. The ICSSR Review Committee visited A N Sinha Institute of Social Studies, Patna during November 22-24, 2018.

Members of the committee were:

1. Prof. Harish Chandra Singh Rathore, Vice-Chancellor, Central University of South Bihar, Gaya
2. Dr. G S Bajpai, registrar, NLU, New Delhi
3. D D Pattanaik, Retired Professor of Political Science, Odisha
4. Prof. Rajeev Srinivasan, Director, Asian School of Business, Kerala

An interaction with ICSSR Review Committee with ANSISS doctoral fellows- Seminar Hall II

A visit of ANSISS Library by ICSSR Review Committee

Publications

Institute's Publications

1. **Journal**

A. N. Sinha Institute publishes its own inter-disciplinary peer reviewed journal titled 'Journal of Social and Economic Studies' twice a year. The objective of the journal is to provide a forum for dissemination and exchange of research findings on socio-political and economic development. Papers for consideration for publication are received through hard and soft copies across India and abroad. Email id for receiving potential paper is jsesansiss@gmail.com. The journal work is being carried out by an editorial committee which comprises selected faculty members of the Institute.

2. **Annual Report**

An annual report is a comprehensive report of covered activities throughout the preceding year. Annual reports are intended to give shareholders and other interested people information about the institute's activities and financial affairs. The important activities of the Institute are seminars, workshop, development dialogue, training programmes, research projects, teaching, academic activities of faculty members, doctoral programme etc. The report is prepared by an editorial committee comprising faculty members of the Institute.

3. **Newsletter**

The basic objective of this initiative is to make sure that the peers come to know about each other's work. It also encourages sharing of one's work with others. The Institute is has been publishing the newsletter quarterly since 2016.

4. **Internal Seminar Series**

The academic forum for Internal Seminar in the Institute had a very successful year. Faculty members came up with power point presentations and oral on subjects of their choice. The healthy tradition of engaging faculty members in the internal seminar series was initiated in 2017. The internal seminar proved to be a great source of dialogue, discussion and debate on contemporary theoretical paradigm related to important subjects. This exercise not only benefits the faculty members but also the ICSSR Doctoral Fellows attached to this Institute. It was a huge learning experience for young researchers. Such an academic activity within the Institute helped in creating an academic environment for greater learning.

5. **Working Paper Series**

Proper working papers demonstrate professionalism and document the work from its preliminary stages of a research work through the final report. The Institute has started publishing working paper series since 2016.

6. **Development Dialogue Series**

The Development Dialogue is a conference which brings together many academicians, social scientist, social activists, bureaucrats and politicians etc. who share their experiences on given themes and suggest solutions. The proceedings of the dialogue are published and disseminate to the concerns.

7. **Monograph Series**

A monograph is a specialist work of writing on a single subject or an aspect of a subject. Institute has started the monograph series.

- ❖ Participated in Social Impact Assessment meetings as a coordinator organized by Revenue and Land Reforms Department, Government of Bihar.

Doctoral Programme

The PhD programme lays emphasis on different dimensions of Social Sciences so as to equip the PhD students with an integrated framework within which various developmental and changing issues can be addressed. The programme is designed to develop issue based, inter-disciplinary, and applied as well as pure research orientation among the students so that they can understand the local, regional, national and international problems. It involves successful completion of six months pre-PhD course-work, consisting of Research Methodology and Core Subject, followed by submission of synopsis and formal registration in PhD programme. PhD Course is affiliated to the Aryabhata Knowledge University (AKU), Patna.

Pre-PhD Course Structure and Duration

The main purpose of pre-PhD course work is to encourage fundamental research aptitude among research scholars through systemic training in computer aided research methodology and interactions with contemporary social science debates. The underlying intent is to prepare the students for theoretical rigour as well as applied understanding. At the end of the course the students are expected to be familiar with review of literature, designing and developing their own research and locate it in the on-going discourse of their areas.

Pre-PhD course has been structured as per the guidelines of UGC. Students are required to undertake three papers (two compulsory papers - research methodology and computer application/data analysis; and one elective paper from their subject) which are to be completed within six months. Evaluation of this course will be done through a written examination, followed by an internal assessment through presentations by the students.

Fellowship

Institute offers ICSSR supported Doctoral fellowship. The fellowship is offered preferably in the subjects of: Economics, Agriculture Economics, Sociology, Social Anthropology, Political Science, Public Administration, Social Psychology, Social Geography and Non-violence and Peace Studies. The selection process involves a written test followed by an interview of short listed candidates with specified eligibility criteria. Women, minorities and candidates from educationally backward states are considered on priority basis.

DOCTORAL FELLOWS

ICSSR DOCTORAL FELLOWS (Batch 2014-15)					
Sl	Name	University Affiliated with	Division	Topics/Area of Interest	Supervisor

PARTNERSHIP

Partnership

The Institute has been expanding its academic networks through collaborative research and seminar and workshops. It has started a formal discussion to enter into Memorandum of Understanding with University of Nottingham, UK in 2017. To begin with, the Institute has started on a joint project on “Women's Empowerment and Child Health: Exploring the Impact of Rojiroti Microfinance in Poor Communities in Bihar”.

The two institutions have agreed to cooperate and work mutually on research projects of interdisciplinary nature and organizing joint seminars, conferences, workshops, consultations, etc.

AUDIT/ACCOUNTS REPORT

S S Quadri & Co.
Chartered Accountants

Independent Auditor's Opinion

To,

The Members of Board of Control
A. M. Sirha Institute of Social Studies,
Ajmer - 305001 (Raj.)

Report on the Financial Statements

We have audited the accompanying financial statements of A. M. Sirha Institute of Social Studies, Patna which comprise the Balance Sheet as at 31st March, 2019 and the Income and expenditure Account for the year then ended, and a summary of the significant accounting policies.

Management's Responsibility for the Financial Statements

The Institute Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Institute in accordance with the Accounting Standards. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the Institute's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the accounting estimates

S01, S02, Jagat Trade Centre, Finner Road, Patna-800 001.

of accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information as required and give a true and fair view in conformity with the accounting principles generally accepted in India.

(a) In the case of the **Balance Sheet**, of the state of affairs of the Institute as at 31st March, 2019, and

(b) In the case of the **Income and expenditure Account**, of the surplus of the Institute for the year ended on that date.

Subject to Annexure B Notes on Accounts, we report that:-

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required have been kept by the Institute so far as it appears from our examination of those books.
- c) The Balance Sheet and Income and expenditure Account dealt with by this Report are in agreement with the books of account.
